

# Allergen Awareness

This is to certify that

Karen Harding

completed an e-learning course in the above subject.

This activity equates to 1 hour of CPD. This certificate should be kept within your CPD record, and can be used as evidence in a CPD audit by a professional institute or regulator.

- The key areas covered:**
- Foods most likely to cause an allergic reaction or an intolerance
  - What the impact is on the consumer
  - The Food Information for Consumers Regulations
  - Practical allergen management
  - The importance of providing correct allergen information
