

Health & Safety

This is to certify that

Karen Harding

completed an e-learning course in the above subject.

This activity equates to 1 hour of CPD. This certificate should be kept within your CPD record, and can be used as evidence in a CPD audit by a professional institute or regulator.

- The key areas covered:**
- Roles & responsibilities for workplace health and safety
 - Health and safety legislation
 - How to identify and eliminate common hazards in the workplace
 - Procedures to follow when accidents or incidents happen
 - How risk assessments work

Date: 10/06/2020
