The Chairman advised a meeting had been held on 21st May with the Cormac Solutions Officer dealing with the public consultation regarding the S106 project on behalf of the parish council. It had been a very fruitful meeting and a lot of progress had been made.

The public engagement sessions were discussed. The officer had visited all three sites where play equipment was going to be provided.

Discussion took place about an incident over the weekend where drugs and drug taking equipment were found at Chyvelah Ope Play Area. Discussion took place on the advice given to the Chairman on the disposal of the drugs and equipment and on how the matter could be dealt with going forward. It was also noted that there had been feedback from a member of the public about the level of drug taking in this play area.

The meeting closed at 6.42pm.
