Annual Governance and Accountability Return 2025-26

Annual Governance Statement – Explanation of “No” answers

4. The 2024-25 Annual Return was submitted to the external auditor later than the required date due to staffing issues. Because of this the period for inspection of the 2024-25 AGAR was outside the specified timescales, therefore it was not in compliance with the requirements of the Accounts and Audit Regulations.

Julie Larter

Clerk and RFO
